

INFIRAY OUTDOOR
CABIN SERIES

Thermal Imaging Monocular

The InfiRay Outdoor Cabin Series is a compact and powerful optic that operates easily with one hand. The CABIN is available with multiple lens options and its 50Hz 12 μ m Micro II sensor featuring InfiRay's next generation MATRIX III processing ensures an unmatched viewing experience on its HD display. Standard features of the Cabin Series include a quick focus F:1.0 lens, stadiametric rangefinder, image and video capture, wireless connectivity, picture in-picture and an LED flashlight to guarantee you have everything you'll need in the palm of your hand.

The CABIN Series features two user selectable display tones to further customize your experience. The Cool Tone allows for higher scene contrast, while the Warm Tone allows for less eye fatigue during viewing.

The CABIN Series provides an ultra clear image with its powerful 12μm detector and combines its optical performance with an easy to use design and intuitive feature set designed for the Hunter and Outdoorsman. Check out our website at irayusa.com/cabin to learn more or find your local dealer.
